Print on white card stock for best results. Cut on grey lines (outside edges). Punch holes over grey dots on left side with regular size hole punch. Use sissors and cut narrow (1/8") slits as shown on first hole. Or use a planner hole punch. Add dates above week days. Place in your Classic Happy Planner and enjoy!

For personal use only...not for commercial gain.
Kit used: Splash of Red by Aimee Harrison Designs, used with permission.
Font used: Devita, CU allowed.
